Hybrid

TERPENES:

Myrcene, Limonene, β -Caryophyllene

FLAVOR & AROMA:

Complex blend of fruit, florals, and gas

DESCRIPTION:

From Capulator (creator of Miracle Alien Cookies) comes Big Chillz, a MAC-influenced hybrid with a strong base of OG and a sprinkle of landrace Indica thrown into the mix. Big Chillz creates some seriously large and dense flowers that show off hints of purple and a whole lot of frost.

Selected from seed, our #7 pheno is most similar to the #2 in terpene profile and appearance, showing a good amount of MAC influence. Similarly, it shares the potential to provide a more uplifting experience suited to early evening.
