

MELON POUNDER #3

Nighttime

EVERY EXPLORER NEEDS A MAP

Introducing StrainFinder: A better way to find out what cannabis strain suits you.

Going beyond Indica, Sativa and Hybrid classification, StrainFinder pinpoints what strain is right for you. Backed by our own rigorous scientific analysis, industry data and consumer feedback, this tool guides every cannabis journey. Because finding cannabis just right for you, is important to us.

LINEAGE:

Cocomero Gelatti x
London Pound Cake #75

Indica-dominant

TERPENES:

β-Caryophyllene, Limonene, Myrcene, Ocimene

FLAVOR & AROMA:

Deep earthy quality with a floral melon top note

DESCRIPTION:

Cannarado Genetics created this unique hybrid, fusing Cocomero Gelatti (a Watermelon Kush x Gelatti hybrid) and London Pound Cake, which has a strong Gelato and OG Kush influence. Our phenotype leans more LPC, but the melon still comes through and can be seen in the plant's ocimene content.

This Indica-dominant hybrid potentially delivers a fairly relaxing overall experience, but has just enough of an initial uplift to make it a wonderful after-dinner treat to help kick off an evening of relaxation.
