EVERY EXPLORER NEEDS A MAP

Introducing StrainFinder: A better way to find out what cannabis strain suits you.

Going beyond Indica, Sativa and Hybrid classification, StrainFinder pinpoints what strain is right for you. Backed by our own rigorous scientific analysis, industry data and consumer feedback, this tool guides every cannabis journey. Because finding cannabis just right for you, is important to us.

LINEAGE:

GMO Cookies x White OG

Hybrid

TERPENES:

β -Caryophyllene, Limonene, Myrcene

FLAVOR & AROMA:

Funky garlic and gas with a hint of dank soil

DESCRIPTION:

Packing together some of the most pungent and potent strains available today, Garlic Drip is a gas-lovers dream. Its dense flowers show off bright orange stigmas and fat-headed trichomes and broadcast a pungent GMO-dominant garlic-gas funk.

This one may often be on the heavier side, with a strong body presence and a big dose of mental relaxation for most users. One of our most potent overall packages, Garlic Drip is among our favorites.
