DESCRIPTION:

One of our powerhouse varieties, SeedJunky's Mint Sherbert is known for its high THC levels, extremely frosty appearance, and explosive aroma. A wonderful blend of Kush, Cookies, and Sherbert's complex fruit profile, this has everything that flavor-chasers look for in a strain.

Known by many of our staff and customers as a "straight to bed" varietal, it's best not to make plans if you're planning to dive into Mint Sherbert. We love this one like its namesake dessert – between dinner and bedtime.
