EVERY EXPLORER NEEDS A MAP

Introducing StrainFinder: A better way to find out what cannabis strain suits you.

Going beyond Indica, Sativa and Hybrid classification, StrainFinder pinpoints what strain is right for you. Backed by our own rigorous scientific analysis, industry data and consumer feedback, this tool guides every cannabis journey. Because finding cannabis just right for you, is important to us.

LINEAGE:

Strawberry Kush x Larry OG F8

Hybrid

TERPENES:

β-Caryophyllene, Limonene, Myrcene

FLAVOR & AROMA:

Fuel and pine with undertones of berry

DESCRIPTION:

Heavy on the Kush with a wonderful hint of Strawberry, our Strawberry Larry has a complex aroma which dances between gassy and fruity. It tends to be one of our more potent and high-testing varieties.

While most users may find it to be potent and relaxing, the effect can be surprisingly functional, making this a wonderful choice for a relaxed-yet-productive day.
