## DESCRIPTION:

One of the most-known strains from Cannarado Genetics (popularized by the Jungle Boys), Sundae Driver is known for its deliciously complex fruity aroma, which has notes of vanilla, dark berries, and floral candy sweetness. It shows off bright green flowers with hints of purple and a generous coating of trichomes.

While it is not the most outright potent strain in the stable, it delivers a wonderful balance of flavor and effect. Because of its high myrcene and beta-caryophyllene profile, it tends to be best for smooth evening relaxation use.
