

SOUR BANANA SHERBERT

Anytime

EVERY EXPLORER NEEDS A MAP

Introducing StrainFinder: A better way to find out what cannabis strain suits you.

Going beyond Indica, Sativa and Hybrid classification, StrainFinder pinpoints what strain is right for you. Backed by our own rigorous scientific analysis, industry data and consumer feedback, this tool guides every cannabis journey. Because finding cannabis just right for you, is important to us.

LINEAGE:

Sour Diesel x Banana Sherbert
Hybrid

TERPENES:

β -Caryophyllene, Myrcene, Limonene

FLAVOR & AROMA:

Light banana and citrus with a background of fuel

DESCRIPTION:

Legendary California breeder Crockett (of Tangie fame) lended his expert eye to this fruit and fuel flavor bomb, which blends Banana Sherbert with the famed AJ's Sour Diesel. Big, pungent, and frosty, the plant we chose is a high-tester for us and offers a wonderful blend of sweet banana and piney fuel.

As suggested by the lineage, the combo of Sour Diesel's potentially powerful mental effect and Banana Sherbert's smooth body sensation may make for a balanced but powerful experience suitable for any time of day that requires a shift of perspective.
