LINEAGE:

Strawberry Guava x Grape Tallyman
Hybrid

TERPENES:

Myrcene, Limonene, β -Caryophyllene

FLAVOR & AROMA:

A fruit basket of flavor, with extra grapes

DESCRIPTION:

From Bloom Seed Co., this strain's lineage reads more like a fruit cocktail than cannabis. Our chosen pheno shows off an array of complex grape, citrus, and berry notes which blend harmoniously in dense, uniquely-shaped light green flowers which are absolutely coated with trichomes.

Effect-wise, this one is surprisingly uplifting for many users, often improving mood while continuing to provide a base of body relaxation. We like this one nearly any time of day, but more so in the early evenings.
