EVERY EXPLORER NEEDS A MAP

Introducing StrainFinder: A better way to find out what cannabis strain suits you.

Going beyond Indica, Sativa and Hybrid classification, StrainFinder pinpoints what strain is right for you. Backed by our own rigorous scientific analysis, industry data and consumer feedback, this tool guides every cannabis journey. Because finding cannabis just right for you, is important to us.

LINEAGE:

Apple Fritter x Grape Gasoline
Hybrid

TERPENES:

β-Caryophyllene, Limonene, Ocimene, α-Pinene

FLAVOR & AROMA:

Grape-forward with hints of apple and earth

DESCRIPTION:

This in-house selected, terpene-packed standout comes via Compound Genetics, and features the ever-popular Apple Fritter blended with Compound's Grape Gasoline. The result is a purple-tinged frost-monster with a complex, fruity funk to match its outstanding bag appeal.

The Apple Fritter's Sour Diesel influence comes through in the potential effects, which may provide just the right mental uplift along with the overall relaxing, chilled-out profile you'd expect from these genetics. No matter how you slice it, Grapple Pie is one of our absolute favorites.
