## DESCRIPTION:

A thoughtful and smooth hybrid, Oracle combines two of our oldest in-house creations, Prophet and Mob Boss. Both of these parental plants share the same "father" in the Tang Tang, a plant known for giving incredible vigor and otherworldly trichome coverage to its descendants. Our chosen pheno shows off some Bubba Kush influence with its earthy, rich scent carrying a top note of sweet florals.

Oracle is a complex yet pleasant variety, potentially delivering a calm yet clear-headed effects package, which can be a great match for a relaxing day of focus or meditation.
