DESCRIPTION:

From Seed Junky Genetics, LA Kush Cake is always among the highest-testing strains in our stable. This blend of their famous Kush Mints and the standard for frosty-sweet excellence, Wedding Cake delivers ridiculously frosty flowers with hints of purple throughout. Expect a unique vanilla-berry-gas aroma with a thick flavor that hangs in the mouth after exhale.

Normally quite cerebral and potent to start, it tends to mellow down a bit after a while and becomes a thoroughly enjoyable smooth relaxation that is great for evening wind-down. Higher doses can definitely encourage sleep.
