LINEAGE:

Orange Cookies x SinMint Cookies
Sativa-dominant

TERPENES:

β -Caryophyllene, Limonene, Myrcene

FLAVOR & AROMA:

Uncanny sweet orange with a hint of creamy gas

DESCRIPTION:

Orange Mojito is a shining star of flavor and aroma, featuring uncanny citrus notes accompanied and the rich, sweet, gassy terpenes from the Cookies side of the lineage.

This plant has a flavor-forward and extremely appealing smell and structure, with flashes of purple and dense, frosty flowers. The effect may be moderately uplifting for most users, but not as energetic physically due to the heavier Indica-dominant part of its lineage.
