

VIOLET FOG

Nighttime

EVERY EXPLORER NEEDS A MAP

Introducing StrainFinder: A better way to find out what cannabis strain suits you.

Going beyond Indica, Sativa and Hybrid classification, StrainFinder pinpoints what strain is right for you. Backed by our own rigorous scientific analysis, industry data and consumer feedback, this tool guides every cannabis journey. Because finding cannabis just right for you, is important to us.

LINEAGE:

Khalifa Mints x Grape Gasoline
Indica-dominant

TERPENES:

Myrcene, β -Caryophyllene, Linalool

FLAVOR & AROMA:

Distinctly floral, with notes of gas and loamy soil

DESCRIPTION:

A very special collaboration between Cannarado Genetics and Compound Genetics, Violet Fog has become a house favorite for its gorgeous purple appearance, dense flowers, and enticing floral-earth aroma.

As its name suggests, Violet Fog tends to be a dreamy, smooth, and relaxing experience. While it is nicely potent, it has a delicate nature and tends to fit into situations more than dominate them. We like this one best as an evening chill-out choice.
